“ I have many great memories of Meka, the times we shared on our little road trips and our clubbing days was priceless. The laughs we shared together I will never forget they are forever embroidered in my heart. I am forever thankful for God putting you in my life. I will truly miss that smile of yours. This road trip I can't attend but if I play my cards right one day we will all be in the car together again laughing, singing and clapping. So I will say goodbye for now, I love you forever and always. Love Cyd❤️

“Wow! Wow! It's with heavy hearts we come to terms with the fact that you are no longer physically present with us. However, we take solace in knowing that you have transcended to a realm of eternal peace and serenity in the kingdom of God. We believe that you are now embraced by boundless love and joy, free from any earthly pains or sorrows.

In this difficult time, our thoughts and prayers are extended to you, Dianne, Jordan, and the entire family. Your absence has left a profound void in our hearts, but your memory will forever be cherished and your spirit will continue to live on within each of us.

May you rest in eternal bliss, baby girl, until we meet again in God's divine presence.

Be encouraged family- Sending lots of love, hugs and prayers your way.
