“ Tamika was an inspiration. She not only helped but encouraged me to work with her at the mall. She is the first positive influence in my life which has led to tremendous success. She will be missed. Tamika was a fantastic person and a wonderful soul God bless. RIP Tamika.

“ I recall telling Tamika to meet me at my Apt. She took a cab and yelled from my bedroom window that her mothers key fit my place. I look amazed as this woman I was starting to date back in 1998 seem to just always her way with me. LOL. 4 of us from College shared a townhouse that year and it was some of the best times of my life. Woman I wish I were able to see you once more. Till we meet again.

“ *Tamika was the first friend I ever made in school. It was the first day of kindergarten, and the teacher announced that all the parents could now leave. Being as shy as I was, Tamika saw the anxiety in my face and reached out to me and made me feel welcome. I will never forget that moment--and the ironic part is, she and I had just been recalling this very incident merely 3 months ago. We grew up together, grew apart because life happens, then reconnected. When your soul recognizes a friend, time or space doesn't matter. We had always subconsciously known that. Until we meet again, beautiful Tamika.*

“ To my soul sister Tamika,
We laughed, we cried, we fought, and we had
so much fun together. You taught me so much
and I am a better person because you came
into my life. Although our time was cut short, I
feel like I known you for a lifetime. I cannot tell you what you meant
to me and my family (the Lakeys). Knowing that you are no longer
here has been really hard but I remember our slogan "Jesus will
work it out "if" you let Him and I have to smile. You will forever be in
my heart.

I love you my soul sister, Ginger S. Lakey

“ To the family of the Beautiful Tamika. She was
and will always be a ray of sunshine. That
smile and her character will be missed. While
I haven't worked with her for years, we kept in
touch usually thru FB. Please remember the
big and good heart she shared with all those around her. I am
praying for you, her family at this time.

“ *Tamika, you were such an amazing person. I remember when we became friends 30 yrs ago at St. Chris. You and Joanne were mine and Michelle's first friends when we needed friends the most. Both of you made our transition much easier. I'll never forget the novels you would write and trust me to read, you were always such a great writer & so smart! I will always remember when we had sleepovers at your apartment, listening to Richard Marx & dancing around talking about boys. I'm so devastated that you're not here on earth with us anymore. I'm sorry that we didn't get to talk or see each other in a long time. I would always hope we would have a St. Chris reunion & we could see each other there. I'm happy that we reconnected on FB, at least I could see & talk to you on there. I'm so proud to say that I knew someone as special as you were. I will miss you always!*
Love your friend, Missy
