“Where do I begin? Ms. Tanya was more than a volunteer with our Agency (Kindred Hospice) Tanya has been volunteering with Kindred since 2008, she was a Patient support volunteer and would go where ever there was a patient need. She would provide so many of our Hospice patients with companionship by sitting with them, holding their hands and reassuring them that they would be all right. She would always find out what Music they liked and she would be sure to play it. She loved everyone she came in contact with and when she would sit with them she would always say "I feel like I have known them forever" When she wasn't with our patients offering one on one care she would be hosting Bingo, painting fingernails for the ladies and just offering her wonderful smile to anyone that needed to feel loved.

Tanya would also come into our office and assist us with Events. I called her the Master Caterer and she would always make sure everything was set up just so. She loved assisting us with parties and celebrations. Her laugh was contagious.

My last memory being with Tanya was about 2 weeks ago, we were at a facility and Tanya wore a floppy hat... Let me just say she was the hit of the place. Every woman ohh and awing over that hat, she would stop and talk to each lady that paid her a compliment and then say " Oh its just covering up a mess under here"

These few sentences don't even begin to sum up what she meant to me and to our Office. She embraced me when I took over the volunteer program and together we never looked back, she was a mover and a shaker and always looked after others. Her spirit will forever be with me until we meet again. God Bless you LawDawn and family and know she is with you always.... Thank you Ms Tanya for all the time you gave, all the heart you poured out, all the laughs we had but most importantly THANK YOU for being so sweet, positive and always seeing the bright side of things even when they seemed so dark. Your missed beyond measure and I think of you daily. May your spirit live on... Gone but NEVER forgotten. Love, Colleen Heath and Your Kindred Hospice Family~
