“ *Tearance Weakley; A co-worker but most of all, a Friend of mine. Worked with you for years and did one wide-body bid approx. 8yrs ago and had a 'blast', what a crew that was! And then just recently we were back together this past winter bid prior to you getting ill. You were one of the best as a person and on the tarmac! You were a true Gentleman! Very kind and considerate of others. You WILL be remembered 'T' and we will think of you often. You were (are) a Class Act. Peace be with you and Peace be with your Family for years to come. Sincerely, 'Moe' LaFOUNTAINNE Family of Village of New Boston, MI.*

“*Tearance and I grew up together in Detroit. He was one of the nicest people you could ever meet. He always had something good to say about everything and everyone. He was by far the most positive person I have ever known. Tearance would come over my house and we would just go walking everywhere around the neighborhood with no destination in mind, just cracking jokes and talking. Tearance will be greatly missed. Rest in Peace my friend. We will one day walk again together...*
