“ *My cool uncle Teddy, from the days working security at the skating rink, keeping me out of trouble. To 40 years later telling me that he's very proud of my accomplishments and how bright and how strong ,I was always told me to hold it together no matter what people say. Just keep going as long as I'm able to and I'll never forget that that was discussed to me again Thanksgiving weekend sorry to have you leave us so soon.*

“ Special condolences to The family of Teddie Batts. Not only my Brother-in-Love but a very special part of our family. Ted could make a room light up with his presence. He could make you laugh on the spot. You could not have met a more pleasant person. He will be sorely missed. God had a better home in store for him. He can rest well there without pain, worry or any other uncomfortable situation. Rest in peace Brother-in-Love. You were the best!
