“ Dont know where to begin. There so many memories to share. First, I want to say thank again for being my friend. We went through many obstacles in our path. We even meet again to share those memories. You gave me the street nickname Dee cause both of had T 's as first name. You gave me a baby shower I was the first child on block having a baby. You introduce me to great guy who became my kids godfather. This show us the type of person you was. I even stay at your house many day and weeks. We lost touch for awhile then we found our way back. I moved away to another state You came and support me at my daughter baby shower. I can tell you been though lot of pain. I will watch you comment through pictures on FB. We talk ever once in while. They say life is short but I thought we will get a chance to meet again. But you got your wings to soon. I will forever miss you my friend. Until we meet again we can catch up on those memories. #Northrop girls. RIP. I send my love, strength and healing to Mom Katie, Angela, Kim, Jessica ( Boo). 💔😭🙏🙏
