

Mr. Terrance Antonio Ruff

March 31, 1958 - December 24, 2014

In Loving Memory Of Terrance Antonio Ruff:

After a lengthy battle with cancer, Terrance Antonio Ruff died on December 24, 2014 comfortably in his home at the age of 56. Terrance was born on March 31, 1958 in Detroit, MI, to father Bobbie Ruff and mother Cornella Morant-Ruff, who predeceased him. He was the eldest of six children but that title held no rank against his five sisters. He received his high school diploma from Cody High School and studied Cell Biology at University of Detroit Mercy. He used those skills to obtain a variety of careers- Corrections Officer, Laboratory Assistant, and convenient store manager to name a few.

Terrance was a unique man who was not afraid to walk to the beat of his own drum and made a lasting impression on everyone he met. Some of his favorite hobbies involved listening to a wide range of musical genres, gardening, appreciating a good joke and cooking. His energy, mischief, kindness and zest for life are what his friends and family will remember most about Terrance and no matter what life threw his way he kept his eccentric sense of humor.

“ *Wow. I had no idea. I'm so sorry for your loss. My memory would be of him teaching me how to make a rose out of a cherry tomato. He was an amazing cook.*
