“ Terry was such an awesome person to know from the very first time I met him @ Southwestern High School. He would continue to be that way every time that I would run into him. I know he touched many people with his warm disposition and we were truly blessed to have him in our life's. To the Cabell family you should know that he will never be forgotten because he indeed put in the work that God so willed him to do. We have lost a solider but, gained an angel. Rest in peace Terry Glenn Cabell my fellow prospector

Sincerely,

Rob Douglas

We knew him as the "Top Cat, Terry Cabellaroni" when reporters gathered to shoot the breeze after Michigan State football games. He was one of the guys because we made fun of him, just as he made fun of us.

Terry had so many fun and wonderful stories. He'd tell them and we were always in stitches.

Ask him who the best sports writer in Detroit was. He'd always point to himself.

Who should have been in the Major Leagues? It was the Cat. And who could have coached Michigan State football? It was the Cat.

Thank you for the laughs and the memories. RIP to the Big Cat Terry Cabell.

When I was a freshman at MSU and needed a dorm room Terry took me in and immediately became my big brother. He would proudly brag to anyone that would listen that he showed me the ropes introducing me to college life and i was lucky to have the most popular person on campus doing it. Though the years had put some distance between us he will always be remembered as the big brother i never had and he will be missed. RIP TC

Terry Cabell, a boom, a bang a roni. As Kenny Robinson would call him. A great person. Always a smile and a mentor to us young Spartans. R.I.P Terry
