

Mr. Terry Joe Fizer

November 30, 1956 - March 7, 2018

Celebrating The Life Of Terry Joe Fizer "Boom":

Terry Joe Fizer affectionately known as "BOOM" was born on November 30, 1956. He was the fifth child of seven to the union of G.L. and the late Rosa Lee Fizer. Growing up Terry was very athletic. He attended the Taylor School District where he was an active basketball player. He led his high school basketball team to many victories. All through high school Terry was a hard workingman that held many jobs, from working at gas stations to helping in the family businesses. In 1975, Terry graduated from John F. Kennedy High School.

Terry was baptized and received Christ at a very early age. He was one of the Fizer Singers from Detroit. He loved to lead his favorite song "Trouble in my Way." He even had the time to sing that song days before he made his transition.

In 1975, Terry started his career as an Engine Repair Man for Chrysler Motor Company, where he met the love of his life Janet Fizer, and in 1994 they married and became one union. Terry was very popular in the Chrysler Plant. You couldn't go anywhere in the plant without seeing "BOOM." He later retired from Chrysler in 2008 after 33 years. Terry loved to go bowling with the family, and fishing with his parents. He was also the family's mechanic. Terry wasn't just large in stature, he was large at life. He was an overcomer and there was

no struggle that could keep him down.

On March 7, 2018 at approximately 9:12 A.M. Terry made his transition to be with the Lord and instead of us saying goodbye, we said see you later.
