“ Terry is my friend and my sister and has been since ages 8 & 9. I cannot imagine not being able to share my feelings with her, ask her opinion or just have her to listen. We love each other so much. We could talk about any and everything. It did not matter if we disagreed. We always looked out for the other's best interest. We have shared more secrets than I would attempt to count. She is my daughter's godmother. My parents loved her like a daughter. If I started sharing Terry/Lyn stories I would never shut up. There is no doubt that I will miss her physically. But she will never leave me completely. I thank God for allowing me to have Terry as my Sister-Friend. She will always be in my heart, in my thoughts and in my prayers.
