“ I have known Terry and her family all of my life. We grew up together on W. Buena Vista. The neighborhood was like a family, and my heart is breaking for Gloria, Roger, Mr. Lyons, and her husband. God has chosen a beautiful flower that will be forever remembered!

“ My Big Sista in Christ for Life. Memories! So many "Big Sista" times 12 yrs. Funniest moment: When I first learned she spoke "another" language! I had to identify my sister's remains & tried to go alone; Terry came after me as I tried to protest, and told me to "Get your "seat of intellect" in the car NOW!" (only she used a 1 word term)! She was unapologetically the "Big Sista" and didn't let me forget it. Hard as a brick; not scared a bit; because she had Holy Ghost "grit". I love her for that. God puts choice vessels in our lives for His glory & our good. Terry's "Lil Momma" misses her Big Sista so much...

Thank you Terry for unwavering support and kindness to Mack Alive and the entire prevention community. I am so grateful I had an opportunity to tell you at the meeting in December how much I appreciated you. You always showed your true love for the Lord in everything you said and did. “ This was devastating news for our NCADD family. I've worked with Terry for many years and she has always demonstrated kindness to each of us. Terry was a light to NCADD. When my daughter passed in 2020 Terry showed me a great deal of compassion and love for my well being. Terry will be greatly missed. Sending my prayers, love and condolences to her husband and her entire family.
