“ To her grandchildren,

*Aunt Thelma may be gone from our presence, but never from our hearts. She touched many lives for the better with her cool unique manner. A person who loved to share her knowledge and time with others. Especially her grands and her siblings.*

*It's hard to imagine not hearing that voice, she was frugal yet full of class! Neat and organized like no other! She worked very hard for what she had. A woman who was determined and set a good example of a nurturing elder. I know she was so proud of how her grand babies came to her aid as she slowed down these last years. She set the example and boy they showed her the learned what caring is all about. LOVE.*

*God has moved her from earth to eternity, now resting in the best arms ever! With the King of Kings! Free from the pains and disappointments of this world.*

*Rest in Heavenly Peace Auntee. So many of us will remember the lessons learned and the pride you showed us in doing what is right as we travel our journey. Love you Forever!*

*Kim Stringer-Taylor and the other grand-nephews and niece you touched.*
