“ *You were always the big brother I looked up to for guidance. One couldn't have asked for a better example of a brother, father, uncle, businessman, & friend. Thank you, big brother I'll miss you. Your baby brother Heyman Matlock Sr.*

“ *I am grateful to Uncle Theotis for traveling to Philadelphia to give me away at my wedding. He didn't really know me that well at the time, but I was his oldest sister, Mamie Matlock Jackson's granddaughter. I am also proud of him heading three generations of Matlock men who participated in the Million Man March. He was all about family.*
