“ *Words simply are not enough to convey what I feel. Aunt Theresa was someone that you could talk to in times of need... someone whom you sought out for their opinion, wisdom... someone who would listen to you, and then let you know what she thought without sugarcoating it. She loved you for you. As I grew older, moved away, got caught up in my life, she still listened when I stopped by. Welcomed me, my wife, my children when they were with me. Aunt Theresa, I will miss those talks. I will miss your grace and wisdom. I will miss the meals you shared with me and mine when we visited*

*Most of all, I will miss you. I thank you for all that you have done for me, and I am so glad I had the privilege to say "Aunt Theresa - that's my Godmother."*
