*I am truly sorry for your loss. I will miss Theresa so much. There was never a dull moment with her. For the forty some years I've known her, she was feisty, fun, and always spoke her mind to everybody.. She has been the best friend. Nobody knows when their last day is on this earth but she made the most of hers when she could. We had our long talks. We didn't solve all the problems of the world but we laughed a lot. I will never forget her. She was one of a kind. I'm happy to have known her. May you have peace and comfort from the God who loves and cares about all of us.*

“ I am so very sorry for your loss. May the God of all comfort embrace you with peace and hope now and in the days to come when as Rev 21:4 promises - all our sorrows will soon lie far behind us. You have my deepest sympathy.

“ To: Ptlemy and family

*Theresa will surely be missed, and I thank and praise the Lord for our friendship over the years. She was a strong and loving person who cherished her family and friends. I have many childhood memories that I will always value, especially our friendship.*

*Last summer Theresa gave me a music box to remind me of her, and it was the most precious gift she could have given me.*

*She is no longer with us, but she will always live in our hearts and minds.*

*May the Lord give you peace, comfort and strength to face the days ahead and loving memories to forever hold in your hearts.*

*Our prayers and love are with each of you.*

*Love, Lorenzo and Shirley Herbert*
