

Mr. Thomas Barnard Harden

October 27, 1961 - August 4, 2014

Thomas "Tiger" Barnard Harden Sr., was born October 27, 1961 to Clemeroy and Loretta Harden (preceeded him in death) in Detroit, Michigan. He was one of six children born from this union. He had four sisters, Patricia, his sisters Helen and Deborah (preceeded him in death) and Janet. He had three brothers, Jimmie Lee (Donna), Clemeroy Jr. (Myra) and Steven.

Thomas "Tiger" attended public school in Detroit, Michigan. At an early age he met and fell in love with Delures Cornett. They soon married and from that union came three beautiful children.

Thomas "Tiger" worked many years for the Detroit Board of Education. He was an easygoing, mild mannered child and young adult. He was very close with his younger brother whom he loved very much, Steve. The two were often seen or thought of as twins because of their special bond.

Thomas "Tiger" inherited his love of music from his mother, Loretta. He loved to dance and was especially fond of music by Michael Jackson. He will always be remembered for his bright smile, carefree spirit and style of dress. He was blessed to have met and be in the company of some very special people, Rhea Moore whom he loved very much and members of the Cornett Family.

“ Happy Valentines Day, Grandpa. I hope you're up there celebrating. I wish you were here celebrating with us.

Sometimes I look at your photos and I look at my mom and see you in my mom. It gives me a warm feeling, like you're here with us. I wish you were here, to hug you, tell you stories and you tell them back.

I turned 13 a few weeks back, and it's crazy to think that I have spent 13 years without you. I wish I could rewind time and actually think with my baby mind and just cherish the moment.

Well, it's time for me to say goodbye. I hope you're doing well. We all miss you a lot grandpa, we really do. Goodnight.

Love you lots and tater tots, London.

“ Well, today is the third anniversary of my younger brother's death. As a kid, I can remember me trying to cook and make us something to eat. As I think and reflect on the family and all of our life's, I can truly say that I never thought about it would come a time when he or any of the other family members I have already lost would not be here. For today in memory of my brother I plan to listen to one of his favorite artist, Michael Jackson, I wish he was here to enjoy life but, I know that he is in a better place. Love Always, Sis.

“ I miss you so much daddy its unbelievable .,I wish I could talk to you again , I wish I could hug you again...just 90 seconds to tell you so much and hear your voice again.. I remember when you use to walk up to my high school and make me wear the horrible red hat... lol it was so embarrassing at the time, but I swear to you I would give anything to take that walk with you one more time.. it feels so unreal. im having hard time accepting this. I just keep telling myself that you will call later.. maybe tomorrow. we miss you so much daddy... we are having such a hard time since you left it seems like everything has gone wrong. coree lost her car which was all she had., I lost my car for a few weeks and the flood that happened ruined everything we were left with nothing.. and I swear the only thing me and coree wanted to do was call you..

“ Tiger you are missed. You left us much too soon. It was heart wrenching to see you go through so much pain in your final days. It may be selfish, but I wish you were still here with us.

I will miss my childhood playmate. I will miss hanging with you at the mall and going to look at fish at the pet store. I miss the person who understood my "shoe thing". I still have the urge to text you when something bizarre happens to me, then I remember that you're gone.

Although I have to accept the fact that I must say goodbye for now, we will meet again one day.... Steve
