

Mr. Thomas James Hunter

December 16, 1959 - March 10, 2024

In Loving Memory Of

Thomas James Hunter, affectionately known as Jerome, was born on December 16, 1959 to Rosemary and Benjamin Hunter in Detroit, Michigan.

Thomas accepted Christ at an early age and spent the last year of his life sharing his testimony of how God spared his life after brain surgery.

Thomas attended the Detroit Public School system where he played basketball at Martin Luther King High School. After high school, Thomas decided to put his passion for cars to work as a Master Mechanic.

Thomas married first love Rochelle Coston and had a family with five children. Although the couple didn't last, they formed a unique bond that lasted his entire life. He then shared the next couple of decades of his life with Kimberly Noah where they raised five more children. He adored all of his children and grandchildren and bragged about them everywhere he went. Thomas spent the last decade of his life with his sweetheart Elaine.

Thomas had a love for fishing, family, friends and fun. He would spend countless hours on the Detroit River, where he once caught the largest Sturgeon fish and was proud to be featured in the local newspaper for this. He loved his family with every fiber of his being and would do whatever he could to help out. Known as a jack of all trades, he would fix almost anything. He also enjoyed hanging with his buddies where they would sit around his driveway and talk for hours.

Thomas departed this life on March 10, 2024 and was finally reunited with his

beautiful mother, father, all of his brothers (Willie, Emmett, Gregory, and Levi) and his sister (Helen). He leaves to cherish his memory two sisters, Emma King and Rosemary Hunter, his children; Qwantina, LaTasha, Lawrence, Tomica, Helen, Carl, Thomas (TJ), James, Jalise, Timothy, Sparkle, and Michael, thirty grandchildren, ten great grandchildren, and a host of nieces, nephews, aunts, uncles, cousins and friends. Thomas was an amazing soul and will be missed by all who knew him.
