“ *Thomas was a student and teaching assistant (TA) with the Wayne State University Math Corps when I was the Program Coordinator. He was passionate about helping the younger kids and was a great example of someone who worked hard, showed compassion, and had the highest degree of integrity. Thomas was always very gentle, kind, and laughed at my jokes. I know that he impacted the lives of so many and his memory will be kept burning brightly. My sincerest condolences to his parents, siblings and immediate family during this difficulty time.*
