“ *Hey Cuz and family . Iam not there physically but I am in spirit. When i think of Tiara I think of how God kept her through all the reports form the doctors. Her life was a miracle and even after facing so many health issue our God kept her. For 20 years we lived with the hope of our God showing us his mercy, strength and love in the life of Tiara. Cuz if one thing I know is we are celebrating the life of a real over-comer"Tiara".She is and was the hope of a loving and faithful God. Thank you God for keeping her beyond all we could hope or think... to God be the glory and that we grow in his love and we celebrate our time we were given to live, love and laugh with Tiara as a part of our lives..... muc love kenny*
