

Mr. Timothy Blockett

May 1, 1965 - April 5, 2013

My Story:

I am Timothy Allen Blockett, I was born May 1, 1965 to the union of Salina and John Blockett in Highland Park, Michigan.

I accepted Christ at an early age and was baptized at Grace CME Church in Detroit, Michigan. I was educated in both the Detroit and Highland Park School systems.

I worked at DMC for 15 years where I formerly served as union president and recently held the position of material handler coordinator.

I loved to entertain my friends and family. I liked to cook and could do it very well. Road trips to the family reunions and to the amusement parks were some of the best times. My birthday was always a national holiday, because on May 1st you knew to be on the corner of Avalon and Third. I was termed the Mayor of Avalon St., and the block would fill up quickly on any given day for cookouts, fight parties, fireworks, etc. I could turn any event into a party!

I hope I've left my family and lifelong friends with memories full of laughter and joy. I will truly miss you all, but I will see you again.

I left this life on April 5, 2013 to join my mother and grandparents in heaven.

“ Tim....my cousin, it really saddens me to hear of your passing from Martellos.. I can remember all the fun we had over the years over on Meyers...I remember when Uncle Alfred brought that Yamaha YZ125 dirt bike and took me, you, Reggie, and Martellos over to the field next to the Northwestern Activities Center to ride it!! Or how we used to go fishing in that boat he brought. I can't express how I am feeling, only shocked that you are no longer with us! To the Blockett family...I want to send my prayers and condolences to each of you during this difficult moment. But as long as we have memories of Tim....he will live forever within us! Please turn to GOD for strength and comfort during this moment and will ease the loss you all are going thru. R.I.P. Tim...love you cousin!!!

“ *My fondest memory is when we attended a christian camp and we were the only African-Americans when we were 14 yo in Upper Michigan and we experienced a tornado. We didn't know each other prior to going, but we became friends that lasted through all these years. Rest in peace to you Brother and a prayer to your family you will be missed.....*
