WD

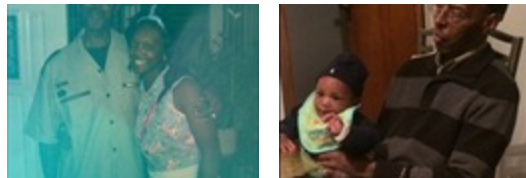

“ I know you did not want to leave us. You fought a hell of a fight. I appreciate you for everything that you did to make us all happy and comfortable in life. You raised me from a baby to a woman. I thank God for you and for guiding me in the right direction. You treated everyone that you came in contact with love respect and dignity. I will always love you. I stood by your side until the end. I wish it was more that I could do . I did what God lead me to do. No more pain no more suffering. I will always love you. I thank God I was able to tell you how much I loved you and appreciated you... Rest in paradise.... My heart is so so heavy.... But I know you are in the hands of the Lord.... Dad... Dad. I will see you again.. Love you only daughter... Wana....
