✓ Obituary

Tina Bailey was a caring Mother, Daughter, Grandmother, Sister, and Friend. She departed from this life on March 11, 2022 lovingly surrounded by her Mother, Daughter and Sister. Tina leaves a huge hole in the hearts of her Family and Friends who were always entertained by her stories and hilarious sense of humor. She truly brought the life to the party.

Tina Bailey was born to the late Coleman Mack Bailey and Ivonne Bailey on January 22, 1964 in Detroit, MI. She accepted Christ at an early age and attended Greater Rose of Sharon Baptist Church. Tina attended and was educated in the Detroit Public Schools and later became a Certified Nursing Assistant.

Tina was adventurous. She obtained a CDL and operated an 18 Wheeler for a short time. But her true passion was caring for others in the health care field. Her natural gift was always serving people which was exemplified through mentoring and playing a vital role to many nurses, sharing her wisdom and experience that she gained over the years.

Tina was a dedicated mother first and foremost. She treasured her Daughter and embraced the moments with her. She especially loved her role as Grandmother. Tina dedicated countless hours with her Grandchildren and taught them how to read and write and most importantly helped them with their homework while her Daughter worked. Tina spent many summers with her family hanging out in the privacy of her Mother's home; grilling outback catching a breeze and sharing recipes while the twins rode up and down the driveway on their powered wheel trucks. Tina enjoyed the time spent with her family and would often crack jokes with her sister Denise.

In her spare time She enjoyed listening to all genre of music from Whitney Houston to Lil Baby. But, her favorite songwriter was Kem. If she played songs on her phone or tablet; Kem was Heavy in rotation. She would often travel downtown with her best friend just to sit in front of the Detroit River and listen to live bands. This was a place where she could get away to reflect and reset.

Tina had a vivacious personality and an amazing sense of humor along with a beautiful laugh. Her wit was razor sharp and was known to say the most shocking things she could think of. She made her entire family laugh with her outrageous and exaggerated facial expressions and often will come up with outlandish nicknames for her loved ones. Tina will be missed tremendously.

Tina Bailey is survived by her Mother: Ivonne Bailey, Daughter: Terria Bailey-Trawick (Marvin Trawick), 2 Sisters: Denise & Zenida Bailey, Brother: Coleman Dwon Bailey and 4 grandchildren: Marvin II, Collin, Cameron and Madison Trawick.

She was preceded in death by her Father, Coleman Mack Bailey.

A Fallen Limb

A message to my family & Friends.

A limb has fallen from the Family tree.

I keep hearing a voice that says,

Grieve not for me.

Remember the best times, the laughter, the gatherings and the good life I lived while I was strong...I'm counting on you.

Keep smiling and surely the sun will shine through.

My mind is at ease and my soul is at rest.

Continue traditions, no matter how small. Go on with your life, don't worry about falls. I will miss you all dearly, so keep up your chin until the day we're together again.

Acknowledgements

Words of thanks seems so inadequate for all of the kindness that has been bestowed upon our Family.

Thank you for all the Prayers, the encouraging visits, the comforting calls and the outpouring support during this time of loss.

May god bless you richly for blessing us.

Tributes

To My Daughter,

Where do I begin? I'm going to miss your beautiful smile. A smile that brightened up my day and brought me so much joy. When you were in the hospital you looked at me and said "Mom, I love you. Let me go?" As much as it hurt to hear those words, I said, I love you too. I know you were tired but now you are at peace and there's no more pain.. Rest well my dear Child. You are forever in my heart.

Love Always, Mom

Mom,

I going to miss your voice; especially the words "Pooh Pooh!" that fills the entire room. I wish I had more time with you. But, I'm at peace knowing that you are no longer suffering. I promise to carry your smile and big personality. Some say I act like you so that won't be hard to do. You were my biggest supporter and always laughed at my goofy jokes and I mean you would be cracking up too! Mom, you were the best support system that any daughter could hope for. Our family chain is broken and nothing is the same. But, as god call us one by one we will link again.

I love you,

Terria

Dear Sister,

My heart is broken, and I am so lost. I prayed and prayed that you would get better and go home to sleep in your own bed and watch your own TV and Facetime me from the next room. I had no intention of leaving your side until I knew you were strong enough. But God had another plan. He knew it was

time for you to rest. As much as it hurts, I find a little comfort in knowing that you were at peace with it. I am truly going to miss you calling me Haggetha and me calling you Tabitha. Until we meet again my Dear Big Sister, my 11-day Twin - rest in Heavenly Peace and give Dad a big ole hug for me.

Love Denise A.K.A. "Haggie"

Hey grandma, we write to you knowing that you will hear this because even though you are no longer with us, you are in our hearts and you are here in spirit.

You have given us memories that we will never forget, we want to let you know that we appreciate and love for everything that you have done for the care that you showed us, the lessons that you taught us, the stories that you told us, the nicknames that you gave us and the happiness you brought us.

We want to let you know that we are grateful for everything that you did with us rather or not you had to remind us to say thank you

We want to tell you one more time that we love you because we know that our words will reach you and the pain cannot.

So we hope that these words will bring you happiness, we hope that this touches you

And one more thing, this is not a goodbye, we know that you are still watching us, we hope that you can safely guide us until one day we can meet again and once more be together and once more share the tenderness that you have always showed us.

Signed with love,

Your grandchildren; Marvin, Collin, Madison, and Cameron

“ *To Tina and her entire family:*

I'm missing her more and more as each day passes. I never knew how much this would bother me especially since I wasn't expecting not to see her again. I'm so very sorry for the loss of this truly family oriented and dedicated person. Words can't explain the way she graced her presence amongst us all! She had a smile that will brighten up your darkest day. She kept it real and never sugar-coated anything. When I would ask her to come and hang out sometimes, she would say, "Girl, I have to watch the kids", and she did just that. Family was before everything to her and I admired that a lot. Keep smiling Tina, I know God has a special place for you there, that's why he called you so soon. Miss you girl

Gone but never forgotten.

“ *Tina I met you when we were children, you and I both were six years old, through the years we lost touch until a few years ago via Facebook. You always had a comment to my post, it felt good to reconnect with my first friend, and I am grateful for that time. You had such a beautiful and living spirit, with a hunger and thirst for God, I am sure you are making him smile. Rest well my friend I love you. Tammy Rolack Mills.*
