“ To the family of my dear Sista, “TinaX”...I thank you for the love you poured into her, because she shared that love with us. She spoke of you all so much, you became special to me too. I wish I had all the words right now to convey the deep love I feel for my friend. Tina was my champion, my prayer partner, my “sista” and one of my brightest lights. I will treasure knowing her forever, she made a difference in my life. She is my friend always, “Malika’Nay”

“ *Tina was an amazing lady, the way she carried herself, the way she treated others, she had your back. Tina was a people lover. What ever you needed she was there to support you anyway that she could. God has taken another angel to look down upon us. Tina made it easy to work here at Macys. Strong and gentle at the same time. I loved our talks and time spent. Tina will be forever missed. Love for family and friends. God Bless you all*
