“ I am simply stunned! I have often thought of you and wondered where you landed after I moved. I did a search since your phone number was not working. One of the last times that we spent together keeps playing in my head; maximize your moments. True words professor. You had a good heart and will be missed. Vaya con dios mi amiga.

“ My heart is truly broken. ..Todd was my friend and I'm going to miss him so much. Great spirit and wonderful sense of humor...I hate with the level of education he received that he didn't allow wisdom to guide him...Will truly miss you man.

“ Please accept my condolences during this time of difficulty. Losing a loved one in death is never easy. During the days ahead may you look to the promises in God's Word to sustain you. For in it he promises that soon, "he will swallow up death forever". (Isaiah 25:8)
