

Mr. Tony L. Jones

November 19, 1968 - May 17, 2018

Tony's Journey:

What a wonderful life!

On a wonderful November day, the 19th, in 1968, a baby boy was born to Alfreda and Lawrence Jones. His father preceded him in death. He was the third of four sons. He was a quiet and loving child, who stayed up under his mother. He was truly a mama's boy.

Tony graduated from Redford High School in Detroit, in 1986. Tony was seeking to find his path in life when he joined the US Army and after 4 years of service, he was honorably discharged.

After returning home, Tony worked at Johnson Controls where he met the love of his life, Michelle Gardner. They were married on August 18, 2001. They had two sons, Lamarr and Omarr, and one daughter, LaCiena Gardner, that he helped to raise as his own.

Tony was employed by Chrysler Automotive for 18 years. He worked at Warren Truck Assembly Plant (WTAP) and Sterling Heights Assembly Plant (SHAP), where he established lasting relationships with his co-workers. He was loved by everybody.

Tony was family oriented. He loved spending time with his cousins, nieces,

nephews, aunties, uncles and the many friends who were considered family. He had a big heart and made everybody feel special. He made sure that he and his family attended all family functions.

Tony was a quiet giant, with a gentle presence. He never had much to say. He was a dedicated husband and father who provided endlessly for his wife and children. He was committed to making their lives comfortable, fulfilling their every need. He handled his business. Tony loved Michelle with all his heart. He will always be by her side, guiding her to be strong and helping her to carry on.

“ *Rest In Peace, Tony. I have nothing but great memories of working with you over the past several years on the Sealer Deck here in the Paint Shop. You were my counterpart Team Leader on 2nd shift and I could always count on you for advice and how to find a better way to do our job! Rest easy big guy, you will be missed.*

“ First I give my condolences to the family of Tony Jones, you have my deepest sympathy. I worked with Tony at Johnson Controls (JCI) everyone called him “Big Ton” and it’s been years since we all were at the Plymouth JCI, but I can see him clear as day walking back from lunch, or covering someone so they could take a restroom break. 😊 He was a stand up guy and someone you could sit and have deep conversations about life with. He will be missed.
