“ *My Best Friend and First Love: I wish I could have been there for you through the good and the bad. As for now I'm going to cherish every mental thought and never let it fade away. Our Lord, has called you to be on his right side, to watch over all of us in these troubling times. My Love; I know you want us as a family to stay close with unity and we are going to do it for you. You are the ROCK and reminder of the one who kept everything together. Like the amazing , wonderful, friend and confidant you were. So I won't say goodbye. I WILL SEE YOU IN THE NEXT LIFE TIME. BEST FRIEND: MALCOLM (I WILL ALWAYS, ETERNALLY LOVE, AND MISS YOU)*

“ *My condolences to family .what a beautiful angle he has called home.Thats going to be deeply missed. Let it be known her work is done here and what a good job she has done. It seems like yesterday i saw walking and delivering my mail with a smile,speaking as she continues her job. Not knowing that it was my last Hi. BUT NOT THE LAST GOOD BYE, because were going to meet again. Family keep your head up and be strong .*
