“ To my precious family:

My thoughts and sympathy are with you at this very sad time. I know how close you are with your daughters and just how much you love them. I watched them grow at times into beautiful women. I am still very heart broken learning of Tonya's homegoing, as I type this message of sympathy tears are flowing with sadness. I am so glad I had the chance to see her earlier this year still with that beautiful and vibrant smile. Tonya had a friendly word to say each time I saw her. She will always remain that way in my memories. Her smile, her spirit, and her goodness will remain alive in the hearts of everyone who knew her. The rest of the family joins me in sending you love and best wishes on this very sad occasion. It took some days to get the strength to write my message.

Love,

“ Our heartfelt condolences to the Watson and Buford Families, I'm reminded of the times we played as kids when Tonya, Cone and Felicia would visit their late Grandparents the Buford's in my hometown of Mobile Alabama. We all had so much fun, back then, Kids played outside without violence where we were raised by a village. It was a blessing to chat with Tonya back in October on Facebook when she reached out to me. We chatted not realizing that would be the last time. To be absent from the body is to be present with the Lord. Rest in Power my dear old friend, To the family, Our thoughts and prayers are with you all. May God give you comfort and peace during your time of sorrow.

“ *My heart hurts after hearing of the loss of Tonya. Our parents met when we were teenagers and became friends, and part of the family. This is like losing a sister. Rest in Peace.*

“ *Mother Watson, Andrea, and Felicia you and your family are in our daily thoughts, our daily prayers and our hearts. I believe those we love never truly leaves us, there are things that death cannot touch, the memories you gain over time, the laughs you've had and the love you've shared lives on forever in our hearts. While I know it may be difficult right now to see past the sorrow, I pray that God will heal the hurt and replace it with these precious memories. We love you all!!*

Matthew 5:4... Blessed are those who mourn for they shall be comforted.
