“ *Tori, what can I say?! Although you and Brittany have been my clients for years. I truly looked at you both as friends. I always loved our talks. You always told me how you strived to be in a good mood & happy all the time like me. But really I strived to be like you because you had it going on girl! From the fashion, being a business woman, a great mom, family oriented, and world traveler. I will miss you dearly! ❤️*

*All my love,
