“ To My Neely and Hayes Family, Please know that I am praying for you.

Words cannot express the heavy heart I have for you. I've included a poem, that I hope will give you some comfort in the days ahead.

Love You,

Family o' mine: I Should Like to Send You a Sunbeam

By Anonymous

Family o' mine:

I should like to send you a sunbeam, or the twinkle of some bright star,

or a tiny piece of the downy fleece that clings to a cloud afar.

I should like to send you the essence of a myriad sun-kissed flowers,

or the lilting song as it floats along, of a brook through fairy bowers.

I should like to send you the dew-drops that glisten at break of day, and then at night the eerie light that mantles the Milky Way.

I should like to send you the power that nothing can overflow – the power to smile and laugh the while a-journeying through life you go.

But these are mere fanciful wishes; I'll send you a Godspeed instead,

and I'll clasp your hand – then you'll understand all the things I have left unsaid.

“ Tracy...we shared soooo many memories. You truly made my teenage years (young adulthood) memorable. I love you girl. We will never understand why? However, we will rest knowing that Our God Is STILL on the throne.... Tracey had a relationship with Christ. We find peace knowing we will see you again...
