“ *Travis,*

You have been my heart for 12 and half years, you introduced me to your luv of cars, luv of ball room dancing and food. Most importantly your luv of family. We became a family and you became a father to Maureen (Moeski) and Sean. Always teaching them and giving them fatherly advice. I know your spirit is still present and you are keeping us together. Rest in Peace my love.

“ *Travis,*

You were my mom's love & for all intense purposes you ARE my father. I always called you Daddio & I was your Moeski. You taught me how to come out of my shell & taught me so much over all these years. I was blessed to know you & will miss you.

*Rest in peace
Your daughter Moeski*
