“ *Today is your birthday  
If only you were here to stay  
To have a big celebration  
Yet it's pain over a relation*

*We are all standing here  
Hoping that you will appear  
Though we know you never will  
Yet we stand there still*

*We try and remember you  
And what you did and what you knew  
To try and make you real again  
To take away the waking pain*

*Everyone misses your face  
There is a big gap in your place  
Your place that is next to ours  
And this is why we celebrate your remembrance ❤️*

*Love,  
Your Party of Five  
Shonda, King, Tye, Swoops, & Kay*

Words will never EXPRESS what I feel on the inside and I can Never show how much I need you and Mama in my life, just to talk to me or just hold me and tell me things will be ok ( after y'all bless me out)....you will forever be apart of me and my life BELIEVE THAT YOU WILL NEVER DIE WITH ME.....
