“ Dear Victor and Yolanda

The news of Trevon loss is heartbreaking. Please know that Katan and I are thinking of you, and that there is boundless love and prayer being offered for your family because the whole Tyler family is a wonderful family.

Your sixteen years with Trevon is an incredible gift. I know you realize that, and will always be grateful for the way he served such a high purpose in life and set a competitive example at school. He will be missed by everyone.

You have so much to be proud of in Trevon's life. We can see so much of you both in Trevon's many wonderful achievements as tributes pour in from his fellow students. In this time of sorrow, please know we are with you. Please accept our sincere condolences. God bless you all.

“ *Losing a child is most certainly the hardest when they are taken from us too soon. The Tyler's' recent loss of Trevon is so painful and shocking to me and my family.*

I want to offer the Whole George family our sincere condolence and deepest sympathy on your loss. May the outpouring of sympathy, the kind acts of friends, fellow students, and comfort you at least in knowing that your loss is felt by many during this difficult time.

I ask for God's blessings on you and all the wonderful Tyler family. May you find the courage and strength to move forward in peace and confidence and in knowing that his was a life well-lived but sadly cut short by a simple medical procedure.
