“ *This Is too unreal.... im crying as I write because I would have never thought in a million years our family would endure something so hurtful, so cruel, andso unjust. We we're 3 month apart, 1st cousins..... I looked at you like a brother though. You grew up to be a fine young man.... just wish we spent more time together. All I have is childhood memories and I will cherish those memories in my heart until we meet again. I love you forever and always.....
