“ Dear brother you was my very first friend and my very protector. We have been through a lot together good and bad. I'm glad I got to talk to you one last time to hear you say I love you sis and me say I love you to bro. I'm already miss you. I'm so heart broken that you are gone but I now have another guardian angel watching over me. Hug and kiss pops for me until we meet again. I love you big brother!!! 🥺🥺
