“ *You have always been family since I can remember being alive. You and Chantel always carried me around so much people thought I was Chantel's son. You were family to Chantel so you are family to me. I will miss your smile, your laugh, and your love. Rest Well Sister. Love you!*

“ May God comfort you all during this time of great loss. There's a sense of helplessness when someone we love dies. Many wonder how one gets through this time. Take time to reflect on the good times you shared with your love ones. Prayer is extremely valuable at this time.
