My cousin...I just found out that you have passed from Beanie. I am soooooo upset. Very upset. My childhood memories of family on Hazelett St. consist of you, Beanie and myself. I am so upset. There is a void in our family now and you will definitely be missed. Love you...Tray

“ *Rest in Heaven Cousin Ursula!! Although we did not see a lot of each other in the later years of our life, I still remember the precious moments we shared. I want to thank you for keeping the bullies off me when I was to afraid to defend myself. I really appreciated you taking out the time when you were 8-months pregnant to make sure I saw the debut of my favorite entertainers movie "Purple Rain". You taught me to play jax, hopscotch, jump rope and even roller skate (I'm still better at Stargate). As I type this I begin to cry and hear you saying to me stop all that crying "Beanie".*

Thanks for everything...I love you!!

Beanie

“ *My sympathy to the family. Mere words cannot convey the overwhelming feeling of disbelief that can result from the death of a loved one. May it comfort you to know that God promises that the dead will live again.-Isaiah 26:19*
