“ *Lynn has a heart of Gold and a personality to match. We worked together at Ford and then she came down to Florida for a while to work with us. Her family was so important to her, She made the decision to move back home to be near you kids, and your kids. You are the most important thing in this world to your mom. Lynn was a Wonderful person and a classy lady. She will be missed by everyone that was blessed to have known her. I'm very sorry she had to go so soon. She will be looking over you everyday. Don't be afraid to ask her for help and guidance. God Bless.*

“ I knew Lynn when she was a flight attendant at the Ford Hanger. I was secure and we had the best time. She was happy all the time. I am so sorry for your loss. She is in the arms of our Lord and Savior.

“ My heart is broken. Our precious Valencia was one of the most bubbly, happy, loving and beautiful women I ever know. We worked at Saks Fifth Ave and at Ford Motor company. She loved her family and her friends and now an amazing light has gone out of the world, one that will never be replaced. She will remain in my heart forever.
