“ I will always cherish Valerie's smiles, her conversations, red roses (given to the women in our office around Mother's Day), and especially your friendship. She will be missed, by not forgotten.

Your friend, Pat Neal

“ Val I know you are in a beautiful place. Wondering why does it have to be this way. It hurts so much because there's nothing I can do or say that can make you come back to me. There is one thing that's plain to see that one day we will be together again. Now until then you will always be in my heart and I will always remember your smiling, beautiful face. I endure the times we spent together and they are locked inside my heart. For as long as I have those memories we will never be apart, Though A loss like this won't heal too soon. The years we've shared have been full of joy. The memories we've made will go on and on. Victoria and Lauren will always reflect your joy and charisma for life!!!! You and your family will always be our prayers. I love you and forever you will live within my heart.

“ *Bernard and Family,*

*God has many ways of reminding us of what a beautiful wife, mother, daughter, sister, niece, aunt, and friend Kay was. I will always remember her smile with love. As you remember the happy times with her, may the tears eventually give way to smiles. I will continue to pray that God gives your family strength during this sad time.*

“ *My dear friend Valerie, you are leaving a hole on my heart. After knowing you for close to eleven years and sharing so many memories of being dedicated Mom for our children's. We always had a great time every time we spend together. My heart goes to your family who I know must be going to a tough time. I will always see you in your precious girls. Rest in peace my dear friend, I will look forward to see you again when my time comes to reunite with our Father.*

*Love you with all my heart,*
