“Baby Gee I'll never forget the last time we saw each other. We were at Thawana's 50th party. I was minding my own business and here you come "get up cuz and let's dance". We danced and laughed so hard that night. As we were leaving you said "cuzz always good to see you love you". I'm so glad our last encounter was a blast and ended with "I love you". RIH Pretty Lady 🙏🕊️ love Cousin Erica 💖

“ *To Our Family, We were so deeply sorry to have heard the passing of your Beloved Vanessa. And with heavy hearts, we pause to send Our Deepest condolences to each of you and asking the God that we serve to send his comforting love and peace as well as His strength to all of you during this most difficult and stressful time. For we understand that your tears have fallen, and you have questions unanswered, but know this one thing Earth has no sorrow that Heaven can not heal. Even though Vanessa's short assignment was completed on this side of the Jordan River, we still Praise God for the years He blessed you with her. All those precious memories that will linger forever in your hearts. Because Love lives beyond the grave. Continue as hard as it may be, to Hold to God's unchanging Hands, because that is where all your help will come from in the days and nights to come when you are missing her presence here. Precious in the sight of the Lord, is the death of His saints. Rejoice in a life well lived. Vanessa's sweet soul has been set free from all the pains and troubles of this world, and now will Rest with Jesus. Until you all shall meet again, May the Lord hold you in the palms of His Mighty. We love you all. Blessings and Prayers always.*
