“ *I can't say that I understand what you must be feeling Vorice, but I just want to let you know that I love you so much, and although this must be the hardest thing that has ever happened to you, God knows what he's doing. God loves you and wouldn't have this happen without a reason, and his reasons are perfect, even though they hurt sometimes. I didn't know your mom, but I bet she was a wonderful person, and she will be greatly missed. "For I consider that the sufferings of this present time are not worthy to be compared with the glory that is to be revealed to us." Romans 8:18. Keep your head high Vorice, and never give up. Be the coffee bean.*

“ *Vorice, I was so saddened to hear of this. I have been praying for you and your family. May God comfort you as you walk through this. May you feel the freedom to grieve and process this. May your friends be a source of encouragement to you.*
