

Venetta Denise Wallace

February 17, 1972 - June 17, 2024

In Loving Memory of

Venetta Denise Wallace was born February 17, 1972 in Detroit, Michigan to James and Annie Wallace. She attended Cody High School and received her diploma. She also attended Detroit College of Business. She later became employed at Admiral Tool in Livonia, Michigan where she worked for over ten years.

Venetta loved family, especially her granddaughter Ari. Ari brought her so much joy. Venetta loved to go shopping with her sister Tenisha and granddaughter Ari until her last days. She loved to go out to good restaurants and eat some good food. Spending time with her partner in crime, "Duke", her son, her one and only. Nett and Duke had a tight bond that couldn't be broken.

"Nett" as we called her, loved to make people laugh. She always kept a positive attitude and positive outlook on life. Growing up she was always very active. She ran track, was a Girl Scout, and played the clarinet. She was such a beautiful girl that she also did some modeling. Nett enjoyed a good time and always made people feel welcome. Most of all, her pride and joy was Ari who she loved spending time with every weekend. She was proud to be a grandmother.

Venetta leaves to cherish her sweet memories to her loving and devoted

parents James and Annie Wallace; her son, who she adores, Terrence Wallace; her precious granddaughter Ari Ann Wallace; and her two siblings Jamari and Jakari; her brother Roger Wallace and her sister Tenisha Wallace-Thompson, and her husband Christopher; two nieces Tiffany and Tiara Keeling. Her great-nephew Dallas, and a host of aunts, uncles, nieces, nephews, cousins, and friends who all loved her dearly.

Venetta "Nett" was an amazing mom, daughter, grandmother, and sister. She will most definitely be missed.

“ Net the older sister we couldn't wait to get of age and hang with. Ill never forget how we use to cry laughing at the way she danced we grew up and Noticed we was dancing just like her. If we had a problem it was her problem as well. Got us out the house when parents said no, let us use her car and Im not sure if we knew how to drive. Drove me to the hospital when I was in labor.
