“ *Mama Vera,  
I loved you from the very moment I met you,  
some years ago. You were the most kindest  
soul I have ever met. Your sweet Louisiana  
soul and your radiant smile of yours brought  
many, many smiles to my face when I would visit with you!!!  
Through the years I grew to love you like no other, I felt like you  
were my second Mother!!! You will Always have a special place in  
my heart. I love you and will miss you.  
Rest in Heaven Angel ...* ❤️

“ To the family of Mrs. Vera Lea William's. May God provide you all with the strength you need at this time. It's the hardest thing in the world to loose a loved one, especially a mother. Just know that she lived a good life and she is in a better place where she no longer has to hurt. She will be forever watching over you. May you lean on God to find the comfort that you need to get through this pain. You have each other now and Lea would want you all to continue to be there for each other, no matter what. Praying that you all let the love she left in your hearts shine bright and forever be a remembrance for the world to see. Love you all.

“ *I remember Ms. Vera fondly because she always treated me kindly. But rest assured what came up came out. She could be fussing at the kids when I walked in, she would finish and in the same breath say; How you doing baby with a smile. If she had some advice you were going to hear it even if you didnt ask. She could make you laugh even when you wanted to cry. I will always remember her. Love Nora W.*

“ I have had the pleasure of taking care of Miss Vera when she was a patient at our hospital. All I know is that it was love at first sight. Vera had a wonderful personality and you were instantly attracted to her. She was also a very classy dresser and always had matching earrings on to go with her outfits. She amazed me. Any who knew her loved her too. She will greatly missed; My condolences to her wonderful daughter and family.

“ Mrs. Vera Lee Williams was a special patient to us at Beaumont Hospital. Pauline was an exceptionally committed daughter. She was at her mother's side day and night. Sometime we would tell her go home get some rest. She would but she would be right back 😍. Heavens gonna be a better place since Vera has arrived. Sincerely Brockie
