“ *Mrs. Vera Mae Williams*

“ *Pauline you have my deepest sympathy. I work at Beaumont hospital. I've seen Pauline dedicate her whole heart to her mothers care. Not missing a beat. Day and night she would be there. Sometime we would tell her to go home. She would go home, come right back. Speaking of Mrs. Vera I never no matter what she was going through seen her angry or have a mean word to say. Heaven will be a better place now that she has arrived. Sincerely Brockie*
