“ *My muh was so loving and caring! She touched everyone she came across. She named me Tamela and nicknamed me Tammy and she was one of the only ones I didn't mind calling me that. I wish I would have known the last time would be the last time. I would have hugged you tighter, kissed you longer and told you I love you a million times more. I love you so much! Thank you for all the love and knowledge you shared with each of us! You are now another angel in heaven watching over us! Love your oldest granddaughter Tamela! Kisses*
