“ *Truly heartbreaking to hear of this tragedy. Verlynda worked for me at the Detroit Job Corps Center right before the COVID shut down. She was waiting for our center to open back up so that she could continue to educate the youth. Her awesome kind-spirited personality will truly be missed.*

*Rest on.

“ Verlynda I I've know you for over 30 years and it seems like yesterday when I first met you at Saginaw Valley and found out you were pleading to be a Sigma Sweetheart. From college to our kids, our weddings, and finally to motorcycles. I knew you had been bitten with the M/C bug when I saw you at the HellRaisers with the same Jimmy Carter smile from ear to ear. You were still the same beautiful fun loving full of life beautiful women that you were 30 years ago. You will be missed by many. THROTTLES UP MY BABY. BURN RUBBER NOT YOUR SOUL. You will always be in my heart and soul my sister.

Love Always
