“ *My heart goes out to my friend Nigel and his family. No words can express how grateful I am to have known Mrs. Hopson.*

In my younger years, I can remember her being very patient, tolerant and kind to me when she really, should have been putting me out of her house. I'm sure Nigel was NOT allowed to have female company before she got home from work. She never yelled at me or made me feel uncomfortable. I was allowed to eat dinner, snacks and drink as much Kool-Aid as my little heart desired. I was very young at that time, so I know I ate lots of here good cooking.

I am very appreciative of the happy and warm childhood memories, there are plenty and I'll cherish them for all of my life.

As an adult we shared stories, laughed and bonded, which was a very cool thing to do.

I can vividly remember the days, when all I could say was "Hi Mrs. Hopson" because she was a MOM...Nigel's mom.

I'm gonna miss you Mama Hopson and I love you dearly.
