“ *Today is such a surreal day. I will not see you again in the physical but I pray I see you in my dreams. I am so thankful for video footage because I get to still hear your voice and laughter. I LOVE AND MISS YOU GMA*

“ You were my sunshine when days seemed bleak. You were my storm and wrath when it came to protecting me. You were my pillar of strength, my saving grace, my firecracker, my tough cookie, and now my angel's set free. You were my comforter, my reporter, my comedian, my sass and all class, my jackie of all trade. My precious gem was tailor made.

From here to up there, may you rest in peace.

I Love you and miss you grandma.

*Love,
Bobbie*

“ I can still picture sitting along side of you as you lay in the bed rubbing my hand, comforting me..still insisted upon being my pillar of strength. You may have been short in stature but surely mighty by force. My firecracker, my protector, my tough cookie, my selfless angel, my GRANDMOTHER. You have always been there for me and I am eternally, infinitely grateful. I Love you and I know you Loved me. I miss you, I miss you, I miss you!
