“ Im sorry for your lost I know what its like to loose a parent. As you well know we buried both my parents 8 months apart. I know how you all feel. But there is a God that is so powerful that will fill that gap. This is a time for you all to put your differences to the side a come together an pray an fellowship together . I dont know what I would have done without God an the support of my brothers an sister an the entire family. If anything it brought us all closer together. God is the ultimate . So to the Cannon family Vern will be missed. So may God bring you comfort while you all are going thru the lost of your mother. Godbless if you need we are here. Laurretta webb christy an family
