“ *Mama Vickie I remember every morning we opened the store I would always sing to you and act silly so you would have a fun shift and not a bad shift due to customers. You were more than a MOD you were a supporter, provided great mother, caring friend and wanted nothing but respect. I will miss hearing your voice Smh I love you always and forever...mini me((Jai))*

*Hey Mama Vickie!!! I never forgotten about you. I remember when you died, I didn't understand why. I still don't understand. But all I know is I called my mom screaming and crying damn near in a panic attack, and now the both of you are gone. 😞 I don't have any other moms. I just it's not meant for me to have one 😞😞😞 But I pray for all of your children, family and friends. I love you and I definitely miss making you laugh. You were the best person to get advice from as a woman, co-worker, and personal friend. May you rest your body and head until we meet again. Mini Me((Jai))*
