

Mr. Vincent Smith Jr.

July 11, 1996 - July 18, 2022

In Loving Memory Of

Vincent Dana Smith, Jr. was born July 11, 1996, to Vincent and Rochelle Smith. His family called him Vinnie.

Vinnie's encouraging spirit came from his faith in God and holistic spirituality.

Vinnie attended Bates Academy and Cass Tech where he first developed his love for music and art, playing in band and winning prestigious awards for his original artwork. Later, he was blessed with the opportunity to explore his passion for creating beats and producing music as Vino Banks, spending years in the studio with the RealHustle Music Group and other local producers and artists. During the pandemic, he discovered a passion for painting, which lifted him through that difficult period, and demonstrated that he had a natural and marketable gift. He launched and expanded his art career with increasing success until his death on July 18, 2022.

Vinnie leaves to cherish his memory: his parents, Vincent and Rochelle; son, Camyrn Alexander; sister, Sheree (Cassandra); grandmother, Angela; grandfather, Warren; aunts, Myra, Tracy, Adrienne, Vallaire and Patricia; his uncle, Gerard; his first cousins that were raised as his brothers and sisters, Alicia, Victor, Carla, Carlos, Richard, Jasmyne and Warren; and a host of aunts, uncles, cousins and so many friends.

“ My deepest condolences goes to the family of Vincent. He was a wonderful person who had a unique soul & giving spirit. Being able to know him in the time I had with him, I'm forever thankful. Vincent always made sure the ones he held close to him were good and always striving to be the best person he could be, even in his darkest times. He helped me understand the world through his perspective and allowing me to gain a growth I never knew I needed until meeting him. That's just the kind of person he was. I'm appreciative & grateful, everyday, to have crossed paths with a person like Vincent. I'll forever cherish the memories we made together. Im so sorry for your lost. Through cherishing his life & legacy, may he live on forever in our hearts.
